Windows on the Past: Four Centuries of New England Homes Windows on the Past, Four Centuries Of New England Homes by Jane C. Nylander with Diane L. Viera discusses two of my most favorite topics - architecture and history, and to top it off, the area that is covered is a love of mine - New England. Windows on the past : four centuries of New England homes ... The Society for the Preservation of New England Antiquities (SPNEA) is the American organization which operates 33 house museums in Connecticut, Massachusetts, Maine, New Hampshire and Rhode Island. 17th Century Windows | Triton Custom Homes While studying architecture in past centuries, it was interesting to discover that windows were not always necessities. For me, personally, I need at least one window in every room (sometimes two!) and a window in the kitchen over the kitchen sink.

Window - Wikipedia A window is an opening in a wall, door, roof or vehicle that allows the passage of light, sound, and air. Modern windows are usually glazed or covered in some other transparent or translucent material, a sash set in a frame in the opening; the sash and frame are also referred to as a window. Many glazed windows may be opened, to allow ventilation, or closed, to exclude inclement weather.
